45th Class Reunion

**"Winter Park High, our Alma Mater
You're the best school in the land.
With your green lawns and spacious buildings,
In our hearts you'll always stand.**

**With all our classmates, we'll all remember
The many good times we have had.
We'll always love you.
To you we'll be true.
For you're the best school in the la--nd."**

**By gracious powers so wonderfully sheltered,
and confidently waiting come what may,
We know that God is with us night and morning
and never fails to greet us each new day.
Yet is this heart by its old foe tormented, still evil
days bring burdens hard to bear;
O give our frightened souls the sure salvation for
which, O Lord, you taught us to prepare.
And when this cup you give is filled to brimming
with bitter suffering, hard to understand,
We take it thankfully and without trembling out of
so good, so beloved a hand.
Yet when again, in this same world you give us
the joy we had, the brightness of your sun,
We shall remember all the days we lived through
and our whole life shall then be yours alone.**
